

# BASE MOVE

## CHEAT SHEET

**Curl :** On go hold your key down at the provided gait until you have completed a full 360 turn. This should result with you straight on your original axis.

**Cut :** On go, follow your lead on a 90-degree turn to end up cutting straight through the arena.

**Comb :** Everyone will cut across the arena individually.

**Slant :** Everyone will individually cut across the arena at a 45-degree angle.
